Terms and Conditions — SMS Appointment Messaging

The terms that apply to Beyond Theaters Inc.'s appointment text messaging program

Document reference	BT-SMS-2026-003
Business	Beyond Theaters Inc.
Program	SMS appointment confirmations and reminders
Effective date	October 27, 2026
Version	1.0

1. The Program

Beyond Theaters Inc. ("Beyond Theaters", "we", "us") offers a text messaging program that sends customers an SMS confirmation when an appointment is booked and an SMS reminder the day before the appointment. Messages are transactional only; the program sends no marketing or promotional messages.

2. Consent to Receive Messages

We send messages only to customers who have agreed to receive them — for example, by verbally agreeing during a booking conversation and providing their mobile number for this purpose. By providing your number and agreeing, you consent to receive the appointment messages described in Section 1 at that number.

3. Message Frequency

Message frequency varies by appointment. You will receive at most two messages per appointment: one confirmation and one reminder.

4. Message and Data Rates

Message and data rates may apply, depending on your mobile carrier plan. Charges are determined by your carrier, not by Beyond Theaters.

5. Opting Out

You may opt out at any time by replying **STOP** to any message. Once you opt out, you will receive no further text messages from this program. To receive messages again, contact us and agree to a new appointment booking.

6. Getting Help

For help, reply **HELP** to any message, or contact us at info@beyondtheaters.com.

7. Your Responsibilities

- The number you provide must be a number you are authorized to use.
- Please tell us if your number changes or is disconnected, so messages are not sent to the wrong person.

8. Delivery

Mobile carriers are not liable for delayed or undelivered messages. Delivery may be affected by factors outside our control, including carrier networks and device availability.

9. Privacy

How we collect, use, and protect your information — including your phone number — is described in our Privacy Policy (document BT-SMS-2026-002). We do not sell or share customer information for marketing purposes.

10. Changes to These Terms

We may update these terms from time to time. The version in effect at the time of your appointment applies to the messages sent for that appointment.
